Friends of Biggar Museums

The Friends of Biggar Museums is a charitable organisation founded in 1991. It operates independently of Biggar Museum Trust and runs its own affairs through an elected committee.

Friends' membership fees go directly to the Trust and the friends organise a range of fund raising activities in support of the museums.

Friends may support the museum by cataloguing collections, meeting staffing needs and conservation work, among other activities.

Membership entitles you to visit the museums free of charge. There is also a regular newsletter 'The Fountain'.

An application for membership together with Gift aid and Standing order forms are contained in this leaflet. You may also pay annually.
